"Coming together is a beginning, staying together is progress, and working together is success." – Henry Ford

Aoun Award for Community Service

This award seeks to promote the spirit of volunteerism and instilling social responsibility in the hearts of young people to create the culture of volunteering service in the community.

We witnessed this in reality as our school secured the First Position for the Emirates Red Crescent Aoun Award and won cash prize AED 4,000/- which was held on 1st May 2019 at Shawamik School- Baniyas.

The event took place in the school auditorium at 10:30a.m. There were traditional cultural performances by the students and children of all age groups who had done various community services. Hassanah Jowhar of grade 12 delivered a short speech on this occasion in Arabic.
